

## Sandy Bay Newsletter: Week 1: June 23-June 27, 2008

Welcome back everyone! I am so happy summer is finally here. We are off to a great start here at the Sandy Bay Yacht Club. Our first week went smoothly... everyone can swim, capsized their boats and sail! The weather wasn't ideal but we can't control the weather. Everyone did get sailing even the beginners who for many of them, it was the first time they skippered a boat. They did excellent! We have a lot of events coming up so make sure you pay attention. This week's theme is Harry Potter Day. Last week the theme of the week was Hollywood. Stay tuned for a new theme each week. Also make sure to check the website for new pictures and updates.

Thanks,

Jen
