SBYC Jr. SAILING

Hello everyone. Last week was a gorgeous week of sailing. We had an entire week of beautiful days. The opti and 420 classes continued to improve their skills. I have definitely noticed the improvement in all of our sailors from the start of the year. Our race teams had an active week of sailing in the Linda Wieditz, a regatta with Annisquam and Friday Race Day. Our expedition class and adventure sail class went on a serious picnic to Thatcher's Island on Monday. We had a couple of technical difficulties but all around a great day! Our picnic included, blankets, picnic baskets, cheese and crackers, grandma's potato salad, personal apple pies and much more too! Check the website for photos.

CONGRATULATIONS!

To all the sailors who participated in the Linda Wieditz. This was a great event. 39 sailors including sailors from Pleon, Annisquam, Manchester, EPYC, and of course SBYC came for this event. The weather was perfect...sunny and breezy. We were able to get off 5 races. Our sailors did a great job. In first and second place were Tom and Matt Safford. Gil Clark took home 7th. For the full results check the website or the notice board.

The 420 Team also traveled to Annisquam to do some interclub sailing with Jared Dunn sailing with Braely Jelmsberg won 4 out of the 5 races they sailed. Justus Dunton and Amelia Quinn stole that fifth win! Sean Leahy and Allison Sienkiewicz also put in a strong performance. Regardless to say the 420 team represented us well!
