SBYC Jr. SAILING

I cannot believe how quickly this year is going. Session 1 just ended and this week starts session two. Thank you to all the parents who cooked delicious food for the Award's night Pot Luck. I hope you all got enough food. If your child did not receive his/her certificate and/or end of the session evaluation please make sure to stop by the club. Last Monday we also had our first annual Jr. Yacht Club Talent Show. We have some very talented people in our program. Madeline Downs played the violin, Darby, Joanna and myself did a little dance (rather embarrassing but fun!...not so much talent), Zach Dillon won the competition by chewing a pack of gum, the Vassallo brothers showed their talents playing the guitar, doing handstands, juggling, etc. Anthony Santos displayed his talent doing jumps on the razor scooter. We had many other participates as well. On Wednesday we had beautiful weather for the beach cookout. Thanks to all who helped out.

The SBYC sailing program welcomes all the new sailors and sailing families. We are off to a good start so far. Stayed tuned for a lot of upcoming events

Thanks, Jen

CONGRATULATIONS!
To the Opti Race Team: Gil Clark, Tom Safford, Matt Safford, and Arianna Kwoh who represented us at Hingham Jr. Regatta. Unfortunately the wind was not very good the second day but they did get in some racing the first day. Matthew Safford ended up 3rd in his division. Arianna Kwoh also went on to sail for SBYC at the Lipton Cup this weekend.

I also want to congratulate Tristan Bannerman, Griffin Webber, Jimmy Krupka, and Ross Feldman who traveled to their first away regatta at Ipswich Bay Yacht Club last Friday for the Green Head Regatta. Jimmy ended up in 3rd earning him a medal. Griffin was 5th, Ross 8th and Tristan 13th. These were amazing finishes given their first away regatta and the winners of this regatta were 14 years old most of our group is only 10 or 11! This shows great results to come!!! Currently both our opti race team and 420 race team are in Marblehead competing in the Marblehead Jr. Race Week. Wish them luck!

UPCOMING EVENTS:

- **Wacky Wednesday/Theme Thursday: Wacky Hat Day**
- **Thursday Night Talk: " Health in Cambodia" 7:00 p.m.**
- ***Sunday July 27th: Sunday Morning Coffee* Sponsored by the Junior Yacht Club. We need your help. Every Sunday there is a Sunday morning breakfast for all the club members. Each week it is sponsored by a different group and this week is our turn. Friends and families are welcome. We do not have very many people signed up as of now. We need people to volunteer to bring some food in. The breakfast starts at 9:30 but we would like to have the food here by 9:00. If you would like to volunteer please sign up on the soda machine.**
- **Monday July 28th. Junior Yacht Club Dance. 7:30-9:30.**

NEEDED BAILERS: A junior sailing program is always in need of bailers which we use to get the water out of our boats. Tropicana Orange Juice plastic containers and empty detergent bottles make excellent bailers. If you have any of these please send them in with your child.
